Project Title                PARCEL H3, NORTHSTOWE

Document Title            PLANT SCHEDULES

Revision

Status                      For planning

Control Date              November 2016

Document Reference    180604/Doc L1/Rev B

## INDICATIVE PLANTING SCHEDULES FOR RESERVED MATTERS APPLICATIONS FOR PARCEL H3

### Schedule A larger trees.

There is limited opportunity for large trees within Parcel H3 but one of the following would be selected to provide framing and impact at the gateway into the greenway, on the main access street and in the parking court.

Species	Common name	Size*	Rootball/ container	Transpla nt no.**	Notes
Tilia cordata 'Ranchero'	Field maple	-	RB		Well balanced
Corylus colurna	Turkish Hazel	-	RB		Well balanced
Quercus robur	European Oak	-	RB		Well balanced

\* Sizes will be selected from 20-25 and 25-30 semi mature trees. \*\*Transplant no. dependant on size but will be in accordance with NPS

### Schedule B Tertiary Street/shared space/ trees/trees for more constrained spaces.

Most of the trees within Parcel H3 fall in to this category

Species	Common name	Size *	Rootball/ container	Transpla nt no.**	Notes
Acer campestre 'Streetwise'	Field maple		RB		Well balanced
Amelanchier arborea 'Robin Hill'					
Crataegus x lavellei	Midland hawthorn		RB		Well balanced
Malus 'Evereste'	Flowering crab		RB		Well balanced
Prunus padus 'Pandora'	Cherry 'Pandora'		RB		Well balanced
Sorbus aucuparia 'Asplenifolia'	Cut-leaved Rowan		RB		Well balanced

\*Sizes will be selected from 20-25 and 25-30 semi mature trees in key locations and 16-18 and 18-20cm for other trees.

\*\*Transplant no. dependant on size but will be in accordance with NPS

### Schedule C Specimen shrubs.

These plants to be used to provide height and presence as individual specimens or small groups, where space is not sufficient for trees and/or where a smaller scale is appropriate. Specimen shrubs will also provide texture and interest within areas of lower planting (see schedule E).

Species	Common name	Size and Stock	Container	Notes
Amelanchier x grandiflora 'Ballerina'	Snowy mespilus	80-100	10L	Even, bushy
Clerodendron trichotomum var fargesii	Clerodendron	80-100	10L	Even, bushy
Cornus kousa 'Wisley Queen'	Dogwood	60-80	10L	Well balanced
Corylus maxima 'Purpurea'	Purple hazel	80-100	15L	Well balanced
Cotoneaster 'Cornubia'	Cotoneaster			
Sorbus vilmorinii	Vilmorin's rowan	80-100	15L	Well balanced
Syringa vulgaris 'Katherine Havemeyer'	Lilac	80-100	10L	Well balanced

### Schedule D Hedges to plot boundaries and on central POS/LAP edge adjacent to street.

Hedges to define private frontage space on tertiary street. Selected from listed plants (omit holly from LAP area).

Species	Common name	Size and Stock	Container	Notes
COTONEASTER simonsii	Cotoneaster	30-40	2-3L pot	Even, bushy
HYPERICUM forrestii	Forrest's St John's Wort	30-40	2-3L pot	Even, bushy
ILEX crenata	Box-leaved holly	30-40	2-3L pot	Well balanced
LIGUSTRUM ovalifolium	Privet	30-40	2-3L pot	Even, bushy
PRUNUS x cistena	Purple leaf sand cherry	40-60	3L pot	Well balanced
ELAEAGNUS x ebbingei	Ebbinge's silverberry	30-40	3L pot	Well balanced
VIBURNUM tinus 'Eve Price'	Viburnum	40-60	3L pot	Well balanced

### Schedule E, Shrubs – structural/enclosure.

These plants will be used to provide permanent structure where a degree of enclosure is required, in this instance, on the edge of the POS/LAP against the residential properties.

Species	Common name	Size and Stock	Container	Notes
Choisya ternata	Mexican Orange Blossom	50-60	3L	Even, bushy
Cornus sanguinea 'Midwinter Fire'	Dogwood	60-80	3L	Even, bushy
Cornus sericea 'Flaviramea'	Golden twig Dogwood	60-80	3L	Even, bushy
Cornus 'Norman Hadden'	Dogwood	60-80	3L	Well balanced
Ilex altaclarensis 'Camellifolia'	Highclere Holly	50-60	3L	Even, bushy
Viburnum opulus 'Roseum'	Viburnum Snowball	50-60	3L	Even, bushy
Viburnum tinus 'French White'	Viburnum	50-60	3L	Even, bushy

### Schedule F, Shrubs –low structure planting.

These plants will be used to provide low structure planting including the central public open space and in the link to the secondary street north of Parcel H3. Height is restricted to maintain intervisibility and surveillance. Selected plants that, although predominantly not native species, will be in keeping with the intended semi-rural character of the greenway and assimilate well with native plants.

Species	Common name	Size	Container	Notes
Cornus sanguinea 'Midwinter Fire'	Red stemmed Dogwood	60-80	3L	Even, bushy
Cornus sericea 'Flaviramea'	Gold-stemmed Dogwood	60-80	3L	Even, bushy
Cornus 'Norman Hadden'	Dogwood	60-80	3L	Well balanced
Deutzia gracilis 'Nikko'	Deutzia	30-40	3L	Even, bushy
Diervilla sessilifolia 'Butterfly'	Bush honeysuckle	30-40	3L	Even, bushy
Rosa 'Rushing Stream (Austream)'	Rose, groundcover, white	30-40	3L	Even, bushy
Symphoricarpos chenaultii	Dwarf snowberry	30-40	3L	Even, bushy

'Hancock'				
Viburnum opulus 'Compactum'	Guelder rose Compact variety	50-60	3L	Even, bushy

## Schedules G (shrubs) and H (perennials).

For limited areas where a more ornamental impact is required in the central public open space.

### Schedule G, ornamental shrubs

Species	Common name	Size	Container	Notes
Cistus 'Siver Pink'				
Cytisus x beanii	Form of broom	40-60	3L	Even, bushy
Euonymus fortunei 'Emerald Gaiety'		30-40	2L	
Hypericum x hidcoteense 'Hidcote'	Hypericum			
Phormium cookianum hookeri 'Cream Delight'	Phormium			
Potentilla fruticosa Marian Red Robin	Potentilla	30-40	2L	Even, bushy
Potentilla fruticosa 'Abbotswood'	Potentilla	30-40	2L	Even, bushy
Rosa "Scented Carpet"	Rose, pink groundcover	30-40	3L	Even, bushy
Rosa 'Frau Dagmar Hastrup'	Rose, pink	30-40	3L	Even, bushy
SKIMMIA japonica 'Fragrans'	Skimmis 'Fragrans'	30-40	3L pot	
Viburnum opulus 'Roseum'	Snowball	50-60	3L	Even, bushy

### Schedule H, ornamental perennials and grasses.

Species	Common name	Container
Anemone x hybrida 'September Charm'	Japanese anemone	3L
Anemone x hybrid 'Whirlwind'	Japanese anemone	2L
Calamagrostis 'Karl Foerster'	Feather reed grass	2L
Carex oshimensis 'ice dance'	Sedge	1L
Carex oshimensis 'Evergold'	Sedge	1L
Deschampsia cespitosa Gold Dust	Hair grass	2L
Eupatorium Riesenschim	Eupatorium riesenschim	3L
Geranium sanguineum 'Album'	Geranium	2L
Geranium 'Rozanne'	Geranium	3L
Hemerocallis 'Marion Vaughan'	Day Lily	3L
Iris germanica	Iris	3L
Nepeta 'Six Hills Giant'	Catmint	2L
Molinia caerulea 'Variegata'	Variegated Moor Grass	2L
Pennisetum 'Hameln'	Fountain grass	2L
Rudbeckia Deamii	Deams coneflower	2L
Salvia nemorosa 'Lubeca'	Balkan clary	2L
Sanguisorba officinalis 'Red Thunder'	Burnet	2L
Sedum Herbstfreude 'Autumn Joy'	Stonecrop 'Autumn Joy'	2L
Sisyrinchium striatum	Sisyrinchium	2L
Symphyotrichum 'Little carlow'	Aster 'Little carlow'	2L
Verbena bonariensis	Argentinian vervain	2L

## Schedule I, residential private frontage planting.

Plants to be selected from following schedule considering aspect

Species	Common name	Size	Container	Notes
BERGENIA 'Silberlicht'	Elephants Ears	20-30	3L pot	any
CHOISYA 'Aztec Pearl'	Mexican orange blossom	30-40	3L pot	any
CISTUS x purpureus	Purple flowered rock rose	30-40	3L pot	sunnier
EPIMEDIUM x rubrum	Red barrenwort	20-30	1.5-2L pot	shadier
GERANIUM x oxonianum 'Wargrave Pink'	Geranium	30-40	1.5-2L pot	any
Geranium 'Rozanne'	Geranium	30-40	3L	any
Iris germanica	Iris	20-30	2L	sunnier
Hemerocallis 'Marion Vaughan'	Day Lily	20-30	3L	any
HYPERICUM calycinum	Rose of Sharon	10-15	1L pot	sunnier
LAVANDULA angustifolia 'Hidcote'	Lavender	20-30	3L pot	sunnier
MAHONIA aquifolium 'Apollo'	Oregon grape	20-30	3L pot	any
Nepeta 'Six Hills Giant'	Catmint		2L	sunnier
POTENTILLA fruticosa 'Abbotswood'	Shrubby cinquefoil	20-30	3L pot	sunnier
Salvia nemorosa 'Lubeca'	Balkan clary	20-30	2L	sunnier
Sedum 'Herbsfreude'	Ice plant	20-30	3L	sunnier
Sisyrinchium striatum	Sisyrinchium	20-30	2L	any
SKIMMIA japonica 'Fragrans'	Skimmis 'Fragrans'	30-40	3L pot	shadier
Verbena bonariensis	Argentinian vervain	20-30	2L	sunnier
VIBURNUM davidii	David viburnum	20-30	3L pot	any
VINCA minor alba	Lesser periwinkle	20-30	1.5-2L pot	any
VINCA minor 'Gertrude Jeckyll'	Lesser periwinkle	20-30	1.5-2L pot	any

## Schedule J, Native hedgerow

New hedgerow along northern boundary of Greenway.

% in mix	Species	Common name	Size and Stock	Container	Notes
35%	Acer campestre	Field maple	40-60 1+1	Bare root	branched min. 2 breaks
30%	Crataegus monogyna	Hawthorn	40-60 1+1	Bare root	branched min. 2 breaks
15%	Ilex aquifolium	Holly	40-60	2L	Leaders / laterals
10%	Ligustrum vulgare	Wild privet	40-60 1+1	Bare root	branched min. 2 breaks
