

Paving materials key:

- Shared surface material - concrete block and flag textured paving (colour suggestions - silver haze) blocks to be laid in herringbone pattern.
- Secondary road material - macadam
Also macadam in private drive areas
- Tertiary road material - 'heritage' finish macadam
- Private drive material - concrete block paving (colour suggestion - Brindle/ burnt oak) blocks to be laid in herringbone pattern.
- Maintenance strip along tertiary street green spine in block / setts paving with kerb edge defining the edge of adoptable street
- P Areas likely to accommodate permeable block paving

Note: All materials to comply with county councils specification
